~~b. Except as described in Section 7.e., all code contributions to the Project are subject to the following:~~

~~i. All new inbound code contributions to the Project must be made using the Apache License, Version 2.0 (available here:~~

~~<https://www.apache.org/licenses/LICENSE-2.0>) (the “Project License”).~~

~~ii. All new inbound code contributions must also be accompanied by a Developer Certificate of Origin (<http://developercertificate.org>) sign-off in the source code system that is submitted through a TSC approved contribution process which will bind the authorized contributor and, if not self-employed, their employer to the applicable license;~~

~~iii. All outbound code will be made available under the Project License.~~

~~iv. Documentation will be received and made available by the Project under the Creative Commons Attribution 4.0 International License (available at <http://creativecommons.org/licenses/by/4.0/>).~~

~~v. The Project may seek to integrate and contribute back to other open source projects (“Upstream Projects”). In such cases, the Project will conform to all license requirements of the Upstream Projects, including dependencies, leveraged by the Project. Upstream Project code contributions not stored within the Project’s main code repository will comply with the contribution process and~~

Software Grant and Corporate Contributor License Agreement (“Agreement”) v2.0

Thank you for your interest in the project specified above (the “Project”). In order to clarify the

intellectual property license granted with Contributions from any person or entity, the Project must have

a Contributor License Agreement (CLA) on file that has been signed by each Contributor, indicating

agreement to the license terms for the applicable Upstream

Project.

~~e. The TSC may approve the use of an alternative below. This license or licenses is for inbound or your protection as a Contributor as well as the~~

~~outbound contributions on an exception basis. To request an exception, please describe the contribution, the alternative open source license(s), and the justification for using an alternative open source license for the Project. License~~

~~exceptions must be approved by a majority vote of the entire TSC. Contributed files should contain license information, such as SPDX short form identifiers, indicating the open source license or licenses pertaining to the file. protection of the Project and its users; it does not change your rights to use your own Contributions for any other purpose.~~

This version of the Agreement allows an entity (the “Corporation”) to submit Contributions to the

Project, to authorize Contributions submitted by its designated employees to the Project, and to grant copyright and patent licenses thereto.

If you have not already done so, please complete and sign this Agreement using the electronic signature

portal made available to you by the Project or its third-party service providers, or email a PDF of the

signed agreement to the email address specified above. Please read this document carefully before

signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions

submitted to the Project. In return, the Project shall not use Your Contributions in a way that is contrary

to the public benefit or inconsistent with its charter at the time of the Contribution. Except for the license

granted herein to the Project and recipients of software distributed by the Project, You reserve all right,

title, and interest in and to Your Contributions.

1. Definitions.

“You” (or “Your”) shall mean the copyright owner or legal entity authorized by the copyright owner that

is making this Agreement with the Project. For legal entities, the entity making a Contribution and all

other entities that control, are controlled by, or are under common control with that entity are considered

to be a single Contributor. For the purposes of this definition, “control” means (i) the power, direct or

indirect, to cause the direction or management of such entity, whether by contract or otherwise, or (ii)

ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such

entity.

“Contribution” shall mean the code, documentation or other original works of authorship, including any

modifications or additions to an existing work, that is intentionally submitted by You to the Project for

inclusion in, or documentation of, any of the products owned or managed by the Project (the “Work”).

For the purposes of this definition, “submitted” means any form of electronic, verbal, or written

communication sent to the Project or its representatives, including but not limited to communication on

electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or

on behalf of, the Project for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as

“Not a

Contribution.”

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to the Project and to recipients of software distributed by the Project a perpetual, worldwide, nonexclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to the Project and to recipients of software distributed by the Project a perpetual, worldwide, nonexclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) were submitted. If any entity institutes patent litigation against You or any other entity (including a crossclaim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.

4. You represent that You are legally entitled to grant the above license. You represent further that the employee of the Corporation designated as the Initial CLA Manager below (and each who is designated in a subsequent written modification to the list of CLA Managers) (each, a “CLA Manager”) is authorized to maintain (1) the list of employees of the Corporation who are authorized to submit Contributions on behalf of the Corporation, and (2) the list of CLA Managers; in each case, using the designated system for managing such lists (the “CLA Tool”).

5. You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others).

6. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an “AS IS” BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without

limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

7. Should You wish to submit work that is not Your original creation, You may submit it to the Project separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as “Submitted on behalf of a third-party: [named here]”.

8. It is your responsibility to use the CLA Tool when any change is required to the list of designated employees authorized to submit Contributions on behalf of the Corporation, or to the list of the CLA Managers.
