    - › [https://docs.google.com/spreadsheets/d/1KDr\\_2XZvQd6Me7dEWzag9o3sdU8IPXa1k-qsEXcVVtA/edit#gid=0](https://docs.google.com/spreadsheets/d/1KDr_2XZvQd6Me7dEWzag9o3sdU8IPXa1k-qsEXcVVtA/edit#gid=0)
- › ONAP DDF + OPNFV Plugfest, January 8 – 11, in Nozay, France
  - › Website and registration now live: <https://events.linuxfoundation.org/events/onap-ddf-opnfv-plugfest/>

# OSN User Groups

- › Open Source Networking User Groups (OSN User Groups) are locally managed groups that are passionate about network transformation through open source.
- › Groups meet 2-4 times/year to discuss practical applications and the latest innovations from the LF Networking projects
- › LFN reimburse food/beer up to \$12.50 per person, \$250 per event
- › Meetup Pro Page: Meetup Pro Page: <https://www.meetup.com/pro/osnug>
- › LFN page: <https://www.lfnetworking.org/resources/osn-user-groups/>
- › Wiki page for Organizers: <https://wiki.lfnetworking.org/display/LN/OSN+User+Groups>
- › Organizers Discussion: Monday, Dec 3<sup>rd</sup>, 8:00 - 8:30 AM PT
- › Questions to: [osnug@linuxfoundation.org](mailto:osnug@linuxfoundation.org).

# OSN Days

- › Community-driven, regional, one-day events hosted and organized by local open source networking ecosystem members
- › Attendees will hear from a roster of expert speakers on the state of the industry; the projects that make up the open source networking stack, the integration points between them, the use cases and business opportunities enabled by network transformation, how to get involved.
- › Differences from Meetups: Full-day, LFN speaker, sponsors, catering, AV, morning plenary, w/ possible afternoon breakouts.
- › LFN Page: <https://www.lfnetworking.org/resources/open-source-networking-days/>

Thank You

 THE **LINUX** FOUNDATION
