 - Invited community to participate in LFN Marketing Programs: Infographic, 1-Pager, Webinar (with end user).
 - Need to Update Anuket Marketing priorities slides (map to project priorities presented to Board in Oct)
 - Anuket Lakelse bumped out to Jan 4 (Tech sign off). Propose Marketing release Jan 10 at LFN Developer & Testing Forum (Blog + Website Updates)
 - Anuket Website:
 - Now updated much since launch. Need to review to flag older material and propose additions, e.g. How to get started in Anuket

Anuket Assured Update

- LFN Landscape: Ready to display badges
- Legal Docs: Under final review, hopefully final by next week.
- Recruitment: LFN Members needed to participate in the program!
- From the CVC Meeting Today:
 - RC2 meeting with Scot Steele on November 29 (during regular CVC) on the workload testing.
 - Check in with Heather on other contacts / cloud providers input on workload.
 - Reach out to EUAG as a source of input into the RA / RC definition of requirements.
 - Should we propose a session during the developer conference in January?
 - Lincoln Lavoie will publish the agenda for next week by Tuesday.
