ML Framework for Model As a Service

Evaluating Existing Frameworks

https://github.com/opnfv/thoth/blob/master/research-studies/oss-projects-nfv.md

Roadmap (2022)

	Version-1	Version-2	Version-3
Framework Features	**All** Supervised learning models.	**All** Un-Supervised learning models.	**All** Reinforcement Learning Models.
Testing: End-User problem and Datasets	Reuse well published works (Problem and Dataset)		
Target Problems
