- **Agenda Bashing**
- **Announcements**
 - Fierce Technology is organising Cloud Networking Blitz Week free virtual event Jan 31 – Feb 2, for registration see:
[Cloud Networking Blitz Week | Fierce Digital Tech Events](#)

The discussion topics are definitely close to our work in Anuket!

Ildiko Vancsa is one of the panelists on Jan 31, and Walter is the keynote speaker in the Feb 1 session "HYBRID AND MULTI CLOUD STRATEGIES FOR TELCO - A DEEP DIVE".
- **LINBIT presentation**
 - Joel Zhou will provide some documents
 - [LINBIT _ Anuket RM.pdf](#)
 - [LINBIT_SDS_Kubernetes_A4.pdf](#)
 - [LINBIT_SDS_Comparison_A4.pdf](#)
 - LINFO versus Ceph
 - [How does LINSTOR compare to Ceph? » LINBIT](#)
 - [DRBD/LINSTOR vs Ceph - a technical comparison » LINBIT](#)
- **Next release (Moselle) planning - Issue and PR review**
 - **Next Milestones:**
 - M1 - Release Definition, 1 Feb 2022
 - M2 - Scope Freeze, 22 Mar 2022
 - Moselle - RM scoping:
 - Review [Moselle Specification Planning Dashboard](#)
 - Issue review and mapping

Actions (from previous meeting):

1. Joel to send the LINBIT documentation
2. Joel to review sec 3.6 (and referred sections) of RM to identify where LINSTOR can fit into this model, and also what LINBIT can contribute to RM
3. All to review LINBIT documentation
4. Walter to add a second discussion on LINBIT to the Agenda of the next RM meeting
5. John to add issue on APIs for multi cloud
6. Walter to add Issue on reg/security for multi cloud
7. All: review, update [Moselle Specification Planning Dashboard](#)
