How to document documentation best practices - Gergely Csatari

- Was not covered in the meeting
- We defined some rules for documentation here Anuket Weekly Technical Discussions - 2022.06.08
- We should have written documentation guidelines
    - Should we use opnfv Guide as a starting point?
    - Specification are a different type document
- We should have linters checking for these

Meeting notes

- There are two options, a new folder in the current CNTT repository or https://docs.anuket.io/en/stable-kali/how-to-use-docs/index.html
- Let's use the documentation guide.
