CNTT	GitHub	Gergely Csatari : • This was moved to anuket-project/anuket-specification and it is active
anuket-project/sphinxcontrib-relative-link-corrector	GitHub	Cedric Ollivier ▪ this shouldn't be hosted in CNTT. ▪ **Why not use the contributor's repo?** Gergely Csatari • It was created to support CNTT doc compilation from md not relevant anymore. I can move it to an other home if Anuket does not want it.
sphinxcontrib-readme-to-index	GitHub	Cedric Ollivier • this shouldn't be hosted in CNTT. • **Why not use the contributor's repo?** Gergely Csatari • It was created to support CNTT doc compilation from md not relevant anymore. I can move it to an other home if Anuket does not want it.
sphinxcontrib-direct-copy	GitHub	Cedric Ollivier • this shouldn't be hosted in CNTT. • **Why not use the contributor's repo?** Gergely Csatari • It was created to support CNTT doc compilation from md not relevant anymore. I can move it to an other home if Anuket does not want it.
Netready	GitLab	Cedric Ollivier : ▪ was archived before any GitLab discussion ▪ Gerrit must be set as RO if it's not done already ▪ **this Gitlab repo mustn't have been created and must be removed asap**
Snaps	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO if it's not done already • **this Gitlab repo mustn't have been created and must be removed asap**
Sfc	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**

Sdnvpn	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Qtip	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Promise	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**

Parser	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Ovn4nfv K8s Plugin	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Ovn4nfv	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Openretriever	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Onosfw	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Octopus	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**
Multisite	GitLab	Cedric Ollivier : - was archived before any GitLab discussion - Gerrit must be set as RO **this Gitlab repo mustn't have been created and must be removed asap**

Lsoapi	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Kvmfornfv	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Ipv6	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Inspector	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Genesisreq	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Genesis	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Compass4nfv	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Compass Containers	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Yardstick	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
VES	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
FastPathMetrics	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap** Emma Foley this was the SFQM project repo, renamed to Barometer circa 2016

Escalator	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
DPACC	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Domino	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Daisy	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
CPerf	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Copper	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Opera	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
VNF Forwarding Graph	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
JOID	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
OVSNFV	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
CNTT	GitLab	Cedric Ollivier : • **this repo is obsolete which is a big concern!** • **at worst this repo must be automatically synced as we have done for OPNFV projects in Github** • I would have recommended not to create it until any TSC desicion.

Bottlenecks	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Availability	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Auto	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
FastDataStacks	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Apex-Puppet-TripleO	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Fuel	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Apex	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Armband	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Pharos-Tools	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Stor4NFV	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Doctor	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**

VinePerf	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
Pharos	GitLab	Cedric Ollivier : • was archived before any GitLab discussion • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
releng	GitLab	Cedric Ollivier : • no point as Releng depends on Gerrit • **this Gitlab repo mustn't have been created and must be removed asap**
vswitchperf	GitLab	Cedric Ollivier : • is archived (see vineperf) • Gerrit must be set as RO • **this Gitlab repo mustn't have been created and must be removed asap**
storperf	GitLab	Cedric Ollivier : • is archived • Gerrit must be set as RO • **this Gitlab repo must be removed asap**
