Contributing to VSPerf

Understanding the Code.

VSPERF team will conduct a code-walkthrough session so that you can quickly start contributing. Please connect with Sridhar Rao(sridhar.rao@spirent.com).

Potential Projects.

Count	Project/Task	Tentative Duration (Considering FullTime)
1	Integrate DPPD-Prox with VSPERF	1-Month
2	Automating K8S Networking with SRIOV-CNI - Deployment and testing	1-Month
3	Uniform reporting - Jinja-template based reporting in VSPerf to cover openstack and Kubernetes cases too	1-Month
4	Web-UI for VSPERF	3-Months
5	VSPERF-PODS for K8S. Run vsperf containers are pods in K8S.	2-Months
