10 min	✓ TSC Meeting practices ◦ Suggestions from Walter Kozlowski	Gergely Csatari	Walter Kozlowski : 1. The Agenda created prior to the meeting should identify potential discussion items, and have a clear spot, where people can add their comments prior to the meeting, if they cannot attend the meeting. That way their views can be taken into consideration during the TSC discussion. 2. The recording link and/or clear description of the discussion items should be included in the Minutes. 3. ONE email should be sent after the TSC meeting with the link to the Minutes (and recording, if available) and explanations on all required voting actions and links to the polling app. Also all other required actions should be clearly identified in Minutes and/or in this email (with all info required). • Agreed
